a single one who, understanding the matter, will be TREACHEROUS to his party and his princi. ples? We believe not. We are happy to say that we have not yet found the professed Whig who avows an intention of voting for Van Buren-notwithstanding the vaporing and beasting of our opponents. Who, then, will be found to desert his State ticket? What reason can be assigned for voting for a Third Party Town Representative, who certainly cannot stand better on the 'Free Soil' question than his Whig competitor? We earnestly beg every man who has acted with us hithorto. to think of these things seriously, soberly, dispassionately, as the honor of his State and a genuine love of Freedom demand. Knowing the character of Vermont freemen, we have little fear for the result. Our victory, we believe, will be glorious and decisive.

Next Tuesday!

One of the most important elections ever held in this State is to be irrevocably decided. This is the last opportunity we shall have to address the greater portion of our readers, before the day of election. Did we deem it possible that a single Whig whom a word from us could reach, had not already made up his mind to use every reasonable effort to secure the triumphant election of the entire State, District, County, and Town such Whig to a just sense of his responsiwhen he remembers the result of last year's

U. S. Senator, ical complexion of our

State Legislature!

Remember, that every man who suffers personal feelings or prejudices to influence his vote for Town Representative, is hazarding the highest interests of this State, for the sake of a comparatively trivial object. Let the breast of every Vermonter, and which prompt the individual to sacrifice EVERY-THING when the Commonwealth demands it. be thoroughly aroused! Let every Whig

LOCOPOCO COUNTY CONVENTION. - The Regof Addison County held their County Convention in this place, on Thursday last. P. C. Tucker, Esq., of Vergennes, presided The meeting was very respectable in point of numbers and character-about three times as many being present as at the late Barnburner-Liberty-Coaliti a County Convention. The resolutions passed at the previous Convention, called by the Democratic County Committee, were indignantly repullated-it being asserted that the Convention was ruled by persons treacherous to the party-which persons were forthwith excomimmicated from the Locoforo fold.

The following are two of the resolutions passed by the Convention:

"Resolved. That the resolutions of the so-called Addison County Democratic Convention of the 20th July, were the expression of the opinions by the Democratic Committee of the County, it was controlled by men who had deserted our ranks, and who are not recognized as members of the Democratic party—that its acts were those of disorganizers and of men who, under the name of Democrats, assumed upon themselves the right to speak for the party to which they did not belong. "Resolved, That the Democracy of Addison County acknowledge the dictation of no leaders the assume to introduce treason into their ranks that they are not to be endorsed over or sold, like cattle in the market, by any man or set of men whatever, and that the attempt so to transfer them, by a few men heretofore respected in their ranks, and who have now deserted them, furnishes the very best occasion for showing that no person-al popularity can justify a desertion of political proceiple."

The Democrats of the third District held their Convention on Tuesday, the 22d inst. Hon Stephen S. Keyes, of Highest, was nominated for Representative in Congress, and Philate C. Tucker, Esq., of Congress, and PHILIP C. TUCKER, Esq., of Vergennes, for District Elector.
